Date : 30.07.2018

Dear Parent(s)
Greetings!

In pursuant to our notification for "safety of students" and further to comply with guidelines / directives of the CBSE; It is to be informed that no student is allowed to ride two wheelers to commute to school. For the larger safety cause of students and parking of their vehicle outside the school premises is major for school. It's also informed that school doesn't own responsibility for anything outside the school premises.

Parents are, therefore requested for their expeditious support in prohibiting their ward(s) to ride two wheelers to school. I wish you join your hands with us in motivating your ward to follow safety rules of the school.

Regards
