GREEN
Olympiad

20 Years
1999 – 2019

26 November 2020

ONLINE EXAMINATION

17 December 2020

Introduction

- GREEN Olympiad is TERI's flagship programme for schools conducted annually since 1999.
- It is an examination comprising of objective type questions that test the level of environment awareness amongst students.
- Students from schools affiliated to a recognized education board/trust can directly register for this Olympiad. No negative marking for wrong answers
- GREEN Olympiad covers a range of topics like water, waste, energy, air, agriculture, urban landscapes, biodiversity, health, climate change, and sustainable development, and contemporary environment issues.

Highlights of GREEN Olympiad 2020

- Students from classes IV – XII can register for this examination.
- Students can participate in the online Olympiad directly from their homes.
- The National Education Policy 2020 (Clause 4.42) also reinstates the relevance and value of 'Olympiads' in the learning process.
- Schools/students can register for GREEN Olympiad 2020 through the following link: <https://www.teriin.org/olympiad/registration/>
