**“Good works is giving to the poor and the helpless, but divine works is showing them their worth to the One who matters.”**

We try to understand someone’s feelings, beliefs, hopes and experiences that make up their view of the world. If we see a homeless person living under a bridge we may feel sorry for him and give him some money as we pass by. That is pity. On the other hand, if we make an effort to look at the world through his eyes, to consider what life is really like for him, and perhaps have a conversation that transforms him from a faceless stranger into a unique individual, then we are genuinely feeling for him.

To inculcate this feeling of compassion, sharing and caring among our students, VBS is organizing a visit to an orphanage on 28.10.2016 during school hours. If you are interested in your ward being a part of this noble endeavor, kindly fill in the consent form and send it to the Class teacher by 27.10.2016.

Regards

Meenakshi Zarabi

Principal
