

**GUIDELINES FOR STUDENTS OF GRADE OF CLASSES 9TH TO 12TH TO ATTEND SCHOOL
FROM 17TH NOVEMBER 2020**

Dear Parent(s)
Greetings!

As per guidelines issued by Government of India, Ministry of Health & Family Welfare Directorate General of Health Services (EMR Division), we are going to **open the school for all the students of classes IX to XII** coming from the areas outside the containment zones from **17th November 2020** from **09:00 am to 1:00 pm** only on a voluntary basis. The live classes will take place as per schedule and the teaching learning process will be live-streamed on student's ID'S as well. Students availing the classes from School will get benefitted to be the part of the extra hour interactive / practical session post academic classes.

In the light of the same, **the concerned parents are requested to intimate about their ward's visit in the school by sending the copy of the Consent Slip signed by the parent along with the Child positively on the day of the visit to the school. Each student is required to update his / her health status on Health Set Go App. No student violating the above stated instructions will be allowed to enter the school.** In order to prevent spread of COVID-19 you are required to follow certain generic preventive measures.

Kindly adhere to the following :

- Students must be present in proper school uniform.
- Only the students coming from the areas outside the containment zones are allowed.
- Don't send the child if he/she is not feeling well.
- The students have to commute with their Parents.
- Use of masks and sanitizer are mandatory. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be done wherever feasible.
- Physical distancing of at least 6 feet to be followed as far as feasible.
- No movement outside the classrooms will be allowed.
- Students have to bring their own drinking water.
- Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a Tissue/ Handkerchief/ Flexed Elbow and disposing off used Tissues properly.
- Self-monitoring of health by all and reporting any illness at the earliest.
- Spitting is strictly prohibited.

The school is adopting and implementing all the possible measures to reduce the risk of spread of pandemic Covid – 19. Please be informed about the following:-

- Thermal screening & use of hand sanitizer will be done at the main gate, In case the student is running temperature, he / she will be taken back by the parents from the gate only.
- Distant Seating arrangement will be done in the classrooms.
- Sharing of items like notebook, pens/pencil, eraser, Meal / water bottle etc. amongst students will not be allowed.
- First Aid medical Assistance will be present in school.

Regards

DR. MANJUSHA JOSHI
