CIRCULAR

Circular No.-PVIS/CIR/2026/21

Date : 25.03.2026

Dear Parents,
Greetings!

“A NEW BEGINNING – A FRESH START AND INFINITE POSSIBILITIES!”

As we step into a new academic session, We extend a warm welcome to all parents. Each year marks a new milestone, a fresh opportunity to nurture young minds and foster holistic growth. As per the National Education Policy (NEP) 2025, our institution is committed to an experiential, multidisciplinary, and competency-based approach to education that nurtures critical thinking, creativity, and lifelong learning.

The new academic year (2026-2027) brings an enriched curriculum that integrates technology, activity-based learning, and skill development. Our focus is on multilingual learning, 21st-century skills, and personalized education tailored to our child's strengths. We encourage a collaborative learning environment where students engage in hands-on projects, interdisciplinary activities, and experiential learning modules.

We seek your support in ensuring the smooth functioning of the school by keeping in mind the following guidelines:

1. **Punctuality and Attendance:**

- Students should reach the school by 7:50 AM (no entry will be allowed before 7.35 AM and after 8:00 AM).
- Regular attendance is essential for academic and co-curricular success. Avoid absenteeism, especially on school functions and celebration days.

2. **Uniform and Discipline:**

- Wearing a proper and neat uniform instills confidence and discipline. Ensure that your child follows the prescribed dress code diligently.
- Usage of nail polish, hair accessories (except simple clips/rubber bands), and jewellery (danglers, bangles, etc.) are not allowed.
- House Uniform to be worn on House Day.

3. **Health and Safety:**

- Students should carry a healthy tiffin, preferably fruits, dry fruits, or nutritious meals for their health break. No biscuits or chips/namkeen are allowed.
- Any health-related concerns should be informed to the class teacher in advance.

4. **Academic Preparedness and Conduct:**

- Students must bring the necessary books and notebooks as per the timetable and maintain them in good condition, as they reflect their personality and sense of responsibility.
- Promoting a reading culture both at home and school is essential. Parents are encouraged to gift story books to their children to foster a love for reading.
- Ensuring a healthy balance by limiting child's screen time at home, encouraging more outdoor activities and meaningful interactions.

We believe that together, as educators and parents, we can provide an enriching learning environment. Let's make this academic session a journey of joyful and meaningful learning!

Looking forward to an exciting and fruitful year ahead!

Warm Regards,

JYOTI SAXENA
