

Dear Parents,
Warm greetings!

We are happy to share that **during the months of April and May**, our students of **Grades III to V** will be part of a **Special Etiquette & Manners module** which will be held during the Friday Club Period. These sessions are designed as simple, meaningful experiences to help children become more aware of themselves and those around them, while gently building habits that stay with them for life.

Module 1: Looking After Myself

Children will be encouraged to take pride in their appearance and understand the importance of being neat, tidy, and ready for the day.

Module 2: I Can See the Change

Through small activities, students will notice how little efforts can make a difference, helping them appreciate the value of being well-presented.

Module 3: Words That Feel Good

We will guide children to use kind and respectful language, helping them understand how their words can make others feel.

Module 4: Little Habits, Big Difference

Students will practice simple ways to be more disciplined and responsible in their daily school life—in the classroom, corridors, and beyond.

For the upcoming **Etiquette & Manners Club activities:-**

On Wednesdays, students have to bring the **following material:**

- A small hand towel/napkin
- Comb (in a small pouch)
- Pocket mirror (optional)
- Wet wipes/tissues
- A small notebook and pencil

These items will help children actively participate in the activities and practise good habits during the sessions. Thank you for your support!

We would love for you to be a part of this journey by encouraging these small habits at home. When children see the same values being supported both at school and at home, the learning becomes natural and lasting. Together, let us help our children grow into confident, thoughtful, and well-mannered individuals

Ward Regards
