Dear Students,

Our school has been selected to participate in the National Skill Championship 2025-26 — a prestigious national programme run every year by MakeIntern in partnership with E-Cell, IIT Delhi. Only 40 schools across India get this opportunity, and we are proud to be one of them! This is a great chance for grade **VIII to XII** to learn a practical, in-demand skill and even compete for a spot at IIT Delhi.

What Is It?

A 2-day, hands-on skill workshop to be held at our school, followed by a chance for top performers to compete at the National Finals at IIT Delhi.

Round 1 — Workshop at Our School

- Duration: 2 Days (6–7 hours per day), hands-on practical training
- Fee: ₹1180/- per student (all taxes included)
- Choose one topic (minimum 60 students per topic):
- Robotics
- Cyber Security & Ethical Hacking
- App Design (No Code)
- You get: a Certificate of Participation, plus 2 days of practical training

Round 2 — National Finals at IIT Delhi

- On Day 2, an evaluation test is held. Top 5 scorers qualify for the National Finals!
- Finalists compete in the Young Entrepreneurial Challenge & Technical Hackathon at IIT Delhi campus
- Finalists pitch business ideas to a panel of experts

Why You Should Participate

- National-level exposure and recognition
- Merit certificates for finalists
- Trophies, medals & prize money up to ₹50,000/-
- A real head-start in practical, career-ready skills
